SILK & STEEL

JEWELLERY

Inspired by regal architecture, romance and rock-glam style, Haveli is a beautiful combination of strong, timeless designs with a modern day edge.

Taking centre stage are the Stately designs, creating bold statement earrings, necklaces and rings with exquisite cutout detail and craftsmanship.

Our new geometric shaped gemstones are rose-cut and handmade to specification. Beautiful vintage style cocktail rings have been designed to be worn day to night, along with easy to wear layered necklaces and timeless edgy-chic earrings.

Available in Black Spinel, Moonstone and Amazonite, micron plated in gold, rose gold and rhodium sterling silver.

As with all Silk&Steel designs, this beautiful limited-edition collection has been handcrafted by artisans.

Simple, powerful, statement pieces with meaning.
